# Company Profile

**SHANXI SOLID INDUSTRIAL CO.,LTD.** is located in the heavy industry province of Shanxi, which is abundant in iron ore, coke, steel and other industrial raw materials. We are one professional manufacturer in China for the pipeline products. We supply a comprehensive range products such as **Ductile iron pipes, Ductile iron pipe fittings, Steel pipes, Steel pipe fittings, PVC pipes, PVC pipe fittings, PE pipes, PE pipe fittings, Valves, Manhole covers, Steel flanges, Dismantling joints, Flange adaptors , Couplings, Rubber O rings, Fasteners, Pumps, Water meters and other castings and forgings** according to various international standards. We can also make the castings and forgings according to customers' drawings or samples. Our products are widely used in pipeline system for drinkable water, sewage, oil, gas, chemical plants and so on, and they have been widely exported to Europe, Middle East, South East Asia, Africa, Middle and South America for years. Up to now, we have exported our products to more than seventy countries, they are well accepted by the customers and have won good reputation both at home and abroad.

The business principle of Shanxi Solid Industrial Co.,LTD is credit and sincerity . We are eager to get your inquiries and to establish long term mutual benefit cooperation relationship. We have our advantage in manufacturing and you have your advantages in sales, we are sure with our working together we can get one "win-win" situation .We hope we can grow together!

# Ductile Iron Pipes

1) T-type Joint Pipe (Push-on)

Size: DN80-2600mm

2) K-type Joint Pipe

Size: DN1200-2600mm

3) Self-Restrained Joint Pipe

Size: DN80-1600mm

Tyton (Push-on) Socket Fittings

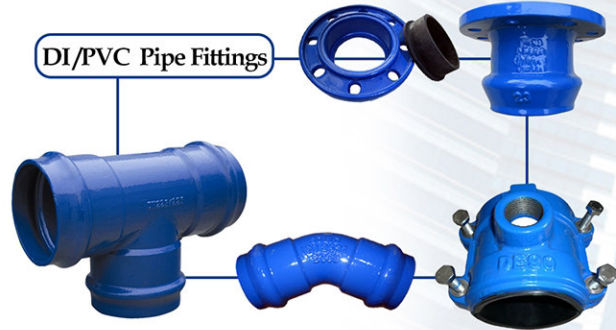

Size: DN80-2600mm

Flanged Pipe Fittings

Size: DN80-2600mm

DI/PVC Pipe Fittings

Mechanical (K-type) Pipe Fittings

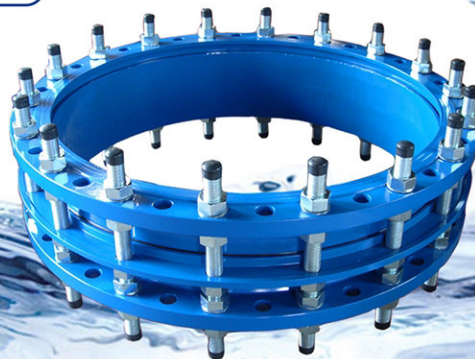

EX Fittings

Expansion Joints

Superange Universal Joints (Couplings) are suitable for joining pipes with different outside diameters of up to 17mm, with working pressure of 16BAR and 24BAR test. SOLID Superange is a truly Universal Design.

Universal Joints

Dismantling Joints

Superange Flange Adaptors are suitable for joining pipes with different outside diameters and will accommodate ANSI, DIN and BS flange drillings.

All the flange adaptors are assembled by "T" bolts. 1.5", 2", 2 1/2", 3", 4", 5", 6", 7" & 8" have four bolt holes. 10" & 12" have six bolt holes, 14" & 16" have eight bolt holes, 18", 20" & 24" are with ten bolt holes.

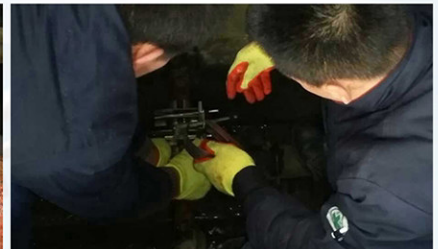

Flange Adaptors

Repair Clamps are designed for use on air, water, sewer, gas pipelines. The clamps are wide tolerance product and fit all popular standard pipe sizes, thus dramatically reducing the number of product to be stocked for maintenance purposes. The clamps are suitable for steel, PVC, ductile iron asbestos cement, GRP, cast iron and concrete pipes.

**Repair Clamps**

# Ductile Iron & Cast Iron Valves

AWWA, DIN, BS, EN, GOST, KSB.etc

**Socket Gate Valves**

**Gate Valves**

**Check Valves**

**Air Valves**

**Fire Hydrants**

**Y - Strainers**

**Butterfly Valves**

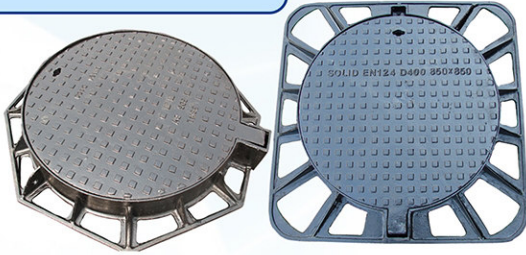

Manhole Covers are manufactured for construction and public use. Manhole Covers shall be smooth and free from sand holes, blow holes, distortion or any other defects.

EN124 A15, B125, C250, D400, E600, F900

Ductile Iron/ Cast Iron Manhole Covers

Gully Gratings

Manhole Steps

Water Meter Boxes

Surface Boxes

Water Meters

Pumps

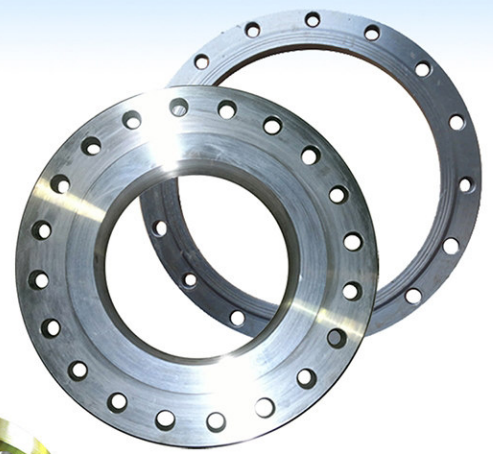

- 1) Welding Neck Flange
- 2) Slip-on Flange
- 3) Blind Flange
- 4) Threaded Flange.etc

## Flanges

ANSI, DIN, BS Standard.etc

## Steel Valves

- 1) Gate Valve
- 2) Ball Valve
- 3) Butterfly Valve
- 4) Check Valve.etc

## Malleable Iron Pipe Fittings (Galvanized Iron Pipe Fittings)

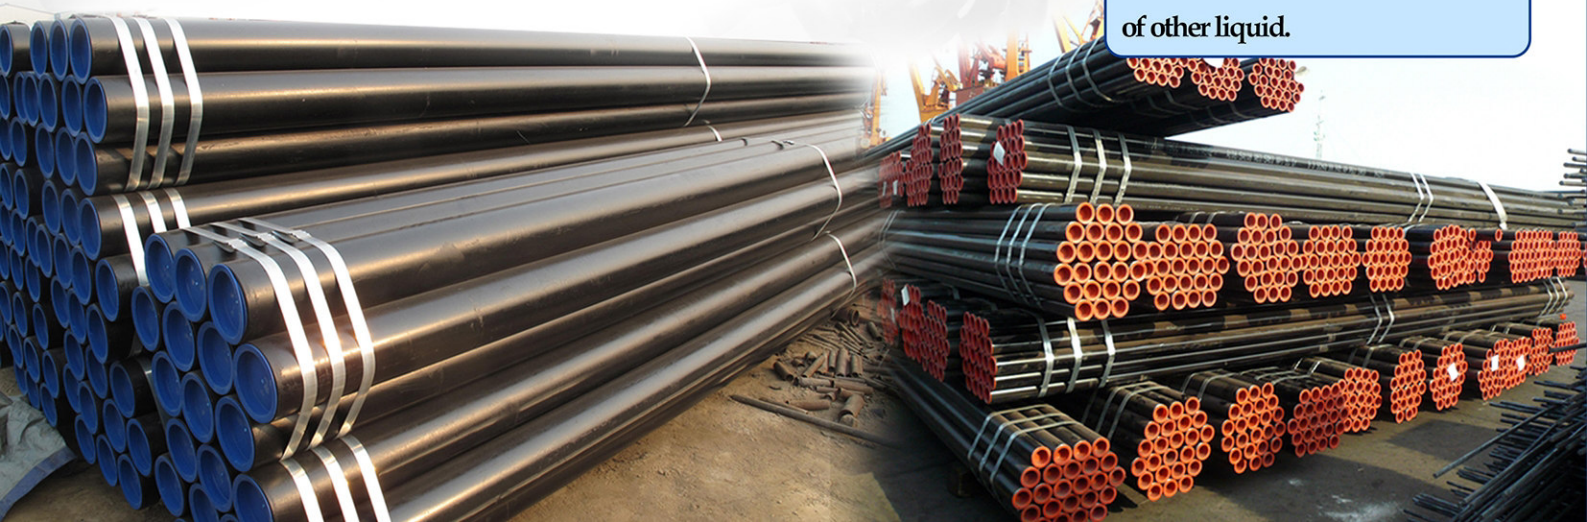

Malleable Iron Pipe Fittings are widely used in connecting various pipelines which convey gas, oil, water.etc

## Carbon Steel/Stainless Steel Pipes & Fittings

GB, ASTM, API 5L, API 5CT, DIN and JIS Standard.etc

Steel Pipes are not only for manufacture wall panel, economizer, re-heater, superheater, steam pipeline of boilers, but also for conveyance of petroleum, gas and conveyance of other liquid.

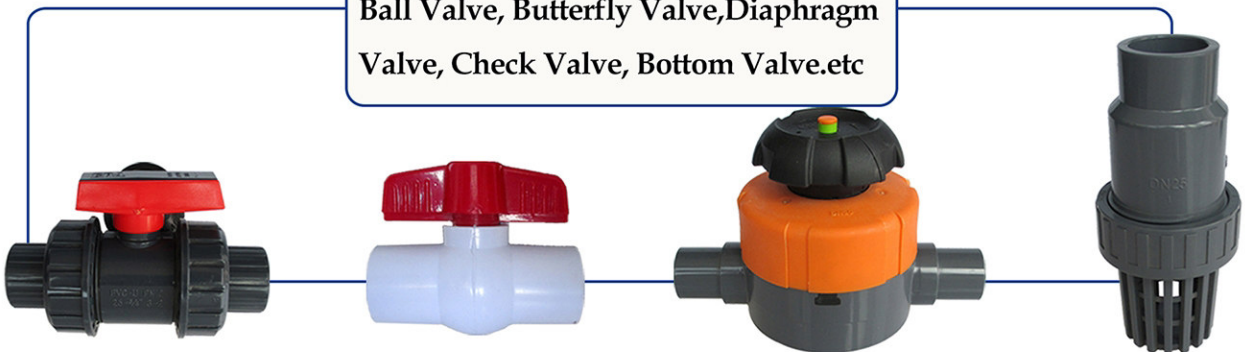

# UPVC/CPVC Pipes & Fittings

Elbow, Tee, Cross, Reducer, Coupling,  
Cap, Union, Flange, Saddle Clamp.etc

## PVC Valves

Ball Valve, Butterfly Valve, Diaphragm  
Valve, Check Valve, Bottom Valve.etc

# HDPE Pipes & Fittings

# PIPELINE SPECIALIST !

## YOUR ONE - STOP BUY !
